Upcoming Events

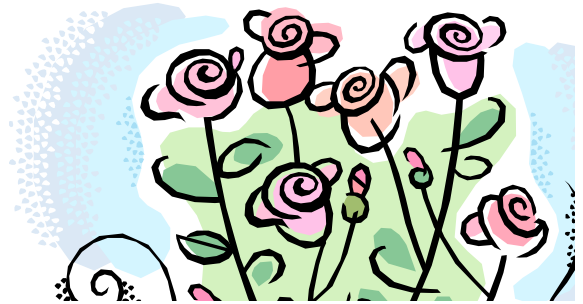

A Planning Commission work session on the transportation and utility facility-related Comprehensive Plan and Development Code text amendments is scheduled for December 10, 2003. Although the work session does not allow for public comment, the public is welcome to attend to learn more about the amendments. The amendments are posted on the City's web site under the Community Development Department. The draft update of the Engineering Design Manual and Standard Drawings by Engineering and City Attorney Department staff is complete and will be posted to the City's Web Site in the near future. City Council review of these amendments will be scheduled in early 2004. For further information, please contact Margaret Middleton in Engineering at (503) 526-2424.

Aloha Garden Club has grant money available for individual education in horticulture, landscape design, or conservation or to non-profit groups for gardening projects relating to conservation, community improvement or environmental concerns.

Requests will be evaluated based on the community impact of the project: i.e., the project location, public access and interest, target audience, etc.

Grant application deadline is January 31, 2004.

For further information call 503-649-3375.
